

This Ramadan, together let's make a difference.

The Mashreq Orange Envelope is our Ramadan initiative to be there for those who need us and help them get through tough times.

### **How does it work?**

Every time a customer spends online using Mashreq Credit or Debit Card or sends money using Quick Remit or transacts via Mashreq Neo debit card or quick remit, we will donate AED 1 from Mashreq. It's time to make a difference.

Come, be part of this initiative and help us pass the Mashreq Orange Envelope to those who need it the most.
